Thank-you for being a part of our Mini-Church. This is a place where you can make new friendships and develop existing ones. Each week we will use the Bible to explore God's plans for us and the ways His hope can change our lives. Our Mini-Church is a safe place where you can be authentic and share; please share at the level you feel comfortable. The confidential things discussed will remain in this group. Everyone will actively listen and give attention to the person speaking. If you can't make the meeting, please let the Host know. To prepare for the meeting please attend the weekend service at one of our campuses and bring your notes from the message and your Bible to the Mini-Church meeting. We look forward to see what God will do!
