

Greetings and I hope that you are all doing well. I have a couple of special prayer requests for you all to be praying about. As I have shared with you, Mentorlink is doing leadership training for the Lausanne Congress on World Evangelism to be held this fall in South Africa. The exciting news about this Congress is that they were expecting 16,000 evangelical leaders from around the world to attend. As of a few weeks ago, they have had almost 50,000 ask to participate! I am not sure but I believe this will be one of the largest groups of evangelical leaders from so many countries to ever come together at one time. With all the events going on in the Middle East, and earthquakes and such throughout the world it makes me wonder what is going to be happening in the next few years!

Regarding the Congress I have two requests:

First with so many participants we are stretched to our limit to provide mentors. We are a small organization with a Huge vision. Pray for mentors to rise up and that we would see unity among Christian leaders worldwide. This is a once in a life time opportunity for us to be involved in.

Second, I just received a request from one of my Mentorlink partners in China. The invitations to the Congress in China are controlled by the Three Self Church. So, there is control over who they allow to go. But, there are a lot of house church leaders and pastors that want to attend this someway who cannot go through the official channels. They have asked us how they can attend. Right now we are praying and seeing what we can do as this has to be done very carefully so they do not get in trouble. Please pray for God's wisdom in how to proceed with this. Many of these house church leaders have support from their churches to attend, but where and how is the questions.

Thanks so much for your prayers and support in these needs, it is highly appreciated.

Blessings,

Andrew
