

MERRY CHRISTMAS 2009!

Thank God with us for sending Jesus into the world to extend to us His love and forgiveness!

We are so thankful for all God has done, especially for...

...a second printing of 5000 Tabaru New Testaments which are now being distributed.

...workshops which are being held to teach Tabaru people how to study the Scriptures.

...safe travel to Indonesia which resulted in

- training four Tabaru people to run a jungle library;
- checking and editing 100 Tabaru worship songs and editing liturgies for worship, weddings and funerals;
- laying the groundwork for translating the Old Testament into the Tabaru and Sahu languages;
- an Old Testament translation workshop for the Tabaru and Sahu to be held in Feb. 2010.

...progress in studies which will prepare Ed for his new role as consultant, training Indonesians to translate the Bible.

...your generous, prayerful and loving support of us and the Tabaru translation team in Indonesia.

Love,

Ed & Jan Kotynski
